JPMorgan Investment Funds – Global Dividend Fund

ISIN: LU0329203144

Morningstar Rating*:

The risk indicator assumes you keep the product for 5 year(s). See Key Information Document (KID) for details.

Risk indicator

Three top reasons to invest in the Global Dividend Fund:

- Our multi-awarded **Global Dividend Fund** offers a broad diversification across the spectrum of dividend payers with a focus on dividend growth and dividend quality.
- Unlike many of its peers, the fund invests across the yield spectrum but with an emphasis on underappreciated dividend-paying companies we call “compounders”.
- The Global Dividend Fund combines attractive, growing dividend distributions with capital appreciation.

ISIN IE0003UVYC20

The risk indicator assumes you keep the product for 5 year(s). See Key Information Document (KID) for details.

Risk indicator

Three top reasons to invest in the JEPG:

- Income generation: JEPG offers a consistent stream of income from monthly payouts which can complement or substitute existing dividend yield strategies.
- A conservative equity solution: JEPG's underlying equity portfolio offers a lower beta, lower volatility equity portfolio.
- An alternative source of income to bonds: JEPG offers high income, comparable to high yield credit strategies, but does it with equity related risks, not duration risk.
